

R.E.D. 2021

Uplift!

Artistic Director - Katie Cook

Q: Who will choreograph R.E.D. 2021?

A: Katie with talented choreographers from the community, and students.

Q: When will rehearsals begin?

A: We will launch R.E.D. with a parent & dancer Zoom meeting in December, and rehearsals will begin in 2021.

Q: Local case numbers are on the rise. What if in-person auditions aren't possible?

A: We will use Zoom to hold live, small group auditions. And, as always, video auditions are welcome for RED.

Q: What are the plans for dancer safety at rehearsals?

A: We will cast and rehearse smaller groups of dancers this year. This means no full-cast production piece. Dancers will follow all the same safety measures of Allegro...temperature screens, mask-wearing, etc.throughout rehearsals and the performance. If a dancer is sick or quarantined during a rehearsal, they may still attend the rehearsal via Zoom.
